Frontier School of the Bible

FRONTIER SCHOOL OF THE BIBLE AND COVID-19

by President Nelson Miles

On Friday, March 13, Frontier School of the Bible cancelled all on-campus classes for the rest of the school year due to the Covid-19 virus. Our students, who were on spring break at the time returned to campus during the following week to gather their belongings and check out of their dorms. After we decided not to complete the semester in LaGrange, two very gifted faculty members stepped forward to set up an online program to allow students to finish the school year. The Lord mightily used these men. In a matter of one week they developed and established a remarkable program. By the time this Signal is published, the students will have completed their studies for the 2019-2020 school year - one quarter of which happened over the internet!

The uncertainty of what is ahead has put our summer ministries into a "wait-and-see" mode. Also, the 2020 graduation has been postponed and tentatively re-scheduled for Friday, August 28, in the FSB chapel. Presently, we are moving forward with plans to restart on-campus classes in the fall.

In the midst of being in a time of uncertainty, God has blessed Frontier in many different ways:

- The many ministry opportunities for faculty,

staff, students, and alumni during this time.

- A wonderful faculty and staff who worked hard as a team to provide a quality online education.
- A smooth transition to online classes.
- The focus of our students on Christ during the crisis.
- The addition of three members to our faculty and staff.
- God's continued provision of finances for the school.

Thank you for your prayers as we seek to follow God's will and plan for Frontier School of the Bible. We are rejoicing in the knowledge that our Almighty God is in control.

The following old chorus was taught to our school family this past school year. It has been an encouragement to many during this year and in our present crisis.

Learning to Lean

Learning to lean, learning to lean.

Learning to lean on Jesus.
Finding more power than
I'd ever dreamed.
I'm learning to lean on
Jesus

GRADUATION 2020

Because of the restrictions concerning group gatherings, we were unable to hold a live graduation ceremony for our students in early May as we normally do. Lord willing, we WILL have a live ceremony in LaGrange on Friday, August 28 - just after school starts. We are looking forward to honoring our graduates at that time. It is our hope to live-stream this event so any graduates or family members who are not able to attend can still enjoy participating virtually.

Despite the changes that have come about in our world in the past three months, we are happy to announce that twenty-four students have earned their Associate of Arts Degree in Biblical Studies, and nineteen have earned their Bachelor of Arts Degree in Biblical Studies. In the list of students who have just graduated, you will notice that they come from fifteen U.S. states and three foreign countries. Their future plans include ministry and/or work in at least eleven U.S. states and three foreign countries! We praise the Lord for the opportunity we have had to watch these students grow in their walk with Him and then go out to serve Him wherever He leads. Please take a minute to pray for some of these graduates. If you find that any of them will be moving to your area, please feel free to reach out to them and let them know you are praying for them.
