Frontier School of the Bible

GRADUATION 2021

Friday, May 7, was a special day for thirty-six seniors and ten interns of Frontier School of the Bible – GRADUATION! For commencement, we hosted over four hundred visitors in the FSB chapel. There were also many others watching a livestream of the ceremony. Our speaker for the event was 2013 graduate, Harald Schwaiger. Seniors Evan Eising and Sadie Guernsey each shared their personal testimony with the guests and their classmates – giving the glory to God for His work in their lives.

This year's graduates didn't have a "normal" three years at Frontier – spring semester of their

junior year was cut short just halfway through, and in the fall semester of their senior year they didn't return after Thanksgiving – but overall they excelled. There were two students with a perfect 4.0 grade-point average, and another thirteen students with a 3.9 GPA.

Following is a list of where our graduates have come from, what they focused on in their studies, and where they are going next. We appreciate your prayers for these students as they seek to follow the Lord however He may lead.
