## LETTER FROM THE PRESIDENT

Dear Prospective Student,

As pastors and other Christian leaders look for schools they can recommend, or as future students go through the process of searching for the "right" school to attend, several questions are asked such as, "What does this institution stand for" and "What are the school's distinctives?"

What is Frontier School of the Bible all about? The following are FSB distinctives.

We believe...

- The Bible and doctrine are foundational and essential to the Christian life.
- Salvation is by grace alone, through faith alone, in Christ alone; nothing more, nothing less, nothing else.
- Teaching God's Word and loving people are keys in ministry.
- It is essential to instill in students the importance of taking obedient steps of faith.
- Education, talents, and gifts have their place but will not carry a person in ministry; humility and a dependence on God will.
- The ministry is not a profession; it is a calling and privilege.
- A high emphasis on expository preaching is of great importance in the training of pastors.
- Every student is important. Therefore, faculty and staff are encouraged to be involved in the lives of students through activities, fellowship at mealtimes, and prayer/discipleship groups. We seek to have a family atmosphere at FSB.
- Practical ministry experience is a tremendous asset in the classroom. Therefore, every faculty member comes to FSB with full-time ministry experience.
- We believe it is important for students who are going into ministry to graduate without school debt, so we make every effort to keep costs down. To that end, every faculty and staff member at Frontier serves as a missionary.

The school motto, taken from Matthew 11:29, is an invitation to become a disciple of the Lord and "learn" of Him. Frontier School of the Bible is a unique school in a unique setting that provides a wonderful place to take His yoke and prepare for life and ministry.

Yours in Christ,

Nelson Miles, President

## GENERAL INFORMATION

This catalog contains current information regarding admissions, requirements, fees, regulations, and offered courses. Frontier School of the Bible reserves the right to withdraw a course, change tuition, room and board, and other fees, change the calendar and rules regarding admission and graduation requirements, and change any other regulations affecting the student body. Changes shall become effective whenever necessary and apply not only to prospective students but also to those who are enrolled in the school at that time.

Frontier School of the Bible has never applied for regional accreditation. We have chosen not to pursue accreditation for the following reasons:

- We believe it is important to maintain self-government in academic policies, social policies, financial policies, philosophy, doctrinal position, faculty issues, and board of director issues.
- We seek to keep expenses low so that more individuals can afford quality training for life and ministry. Accreditation creates a significant increase in costs.
- As a technical training institution, it is our desire to internally strive for and define excellence in education.
- In our experience, the vast majorities of ministry-oriented organizations are mainly concerned with the spiritual life and firm grasp of the Scriptures on the part of the graduate.
- For graduates needing further education in fields FSB does not provide, several Christian colleges and universities accept our credits.

It is the practice of Frontier School of the Bible, and other institutes and colleges, to accept or reject credits based on their own institutional criteria regardless of whether or not the particular school transferring credit is accredited. If a student desires to transfer to another institution at any point in time, it is the student's responsibility to confirm whether or not credits will be accepted by another college of the student's choice.

Frontier School of the Bible is a Bible Institute and not a liberal arts college. As a technical school, it is designed to give the student a high quality Bible college/seminary type education to equip them for life and ministry. Its program is intended to be an end in itself and not a stepping stone to graduate school.

## OUR BACKGROUND

### **HISTORICAL SKETCH**

Frontier School of the Bible first opened its doors on September 5, 1967. The co-founders, Rev. Richard LeBar and Rev. Dan Johnson, had a burden for a school in the state of Wyoming which would be strictly a Bible Institute. They had a vision for what the Lord could do in and through such a training center, with strong emphasis on the Word of God. This purpose continues today.

The campus includes a dining hall and kitchen, classroom buildings, bookstore, student center, chapel, and administration building, which houses Frontier's library and offices. For housing, the school has several dormitories, apartment buildings for married students, guest accommodations, and several houses for staff and married students.

### **LOCATION**

Frontier School of the Bible is situated in the heart of LaGrange, Wyoming, a cattle town along the old Texas Trail. With a population of 300, this friendly rural town lies in the southeast corner of Goshen County. The state of Wyoming has long been known for its beauty and recreational opportunities.

The county seat, Torrington, is 35 miles to the north while the state capital, Cheyenne, is located about 55 miles southwest. Scottsbluff, Nebraska, is within easy driving distance, and Denver, Colorado, is 150 miles to the south.

### **PURPOSE**

Frontier School of the Bible exists to train students for life and ministry. It is the aim of Frontier to provide the student with accurate instruction in the Word of God, an academic environment compatible with gaining a thorough knowledge of the Word of God, a social atmosphere that encourages spiritual growth, and the opportunity for Christian service.

### **PHILOSOPHY OF EDUCATION**

Frontier's approach to education centers on the study of the Bible, places emphasis on spiritual life, and stresses the practical training of the student in Christian service. Rather than focusing on philosophy, criticism, and studies about the Bible, attention is centered on study of the Bible itself. This study coupled with the opportunity to put these truths to work in personal witnessing and in spiritual growth, is designed to produce an evangelistic and missionary spirit and an attitude of submission to the Lord. We believe that only God, through knowledge of the Scriptures and submission to the indwelling Holy Spirit, can equip a person for the work He wants them to do. Frontier's three-year program is designed to fully equip an individual for ministry.

## **PRINCIPLES OF OPERATION**

Frontier is a faith-based school, dependent solely on God and the prayerful interest of His own people who envision eternal dividends through investing in the lives of men and women given over to His purposes. Our policy is one of providing full information without solicitation (2 Cor. 9:6–7). Faculty and staff members are dependent upon God for their personal needs.

Frontier School of the Bible is organizationally independent. It is not endowed nor supported by any denomination, institution, or organization. Frontier stands for that which exalts Jesus Christ and against that which encourages the carnal nature.

## DOCTRINAL STATEMENT

We believe the Bible is the Word of God, supernaturally and inerrantly revealed in its original documents, and is the supreme, final authority in faith and life.

We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit, co-equal in power and glory, identical in their essential nature, and worthy of precisely the same honor, confidence, obedience and love. We believe Jesus Christ was virgin-born, that He is both true God and true Man. We believe in the personality and deity of the Holy Spirit.

We believe man was created innocent, but in sinning he brought spiritual and physical death to himself and all his posterity. We believe the sole condition for receiving everlasting life is faith alone in the Lord Jesus Christ, who died a substitutionary death on the cross for the sins of the whole world and rose bodily from the grave. No act of obedience, such as commitment to obey, sorrow for sin, turning from one's sin, baptism or submission to the Lordship of Christ, may be added to, or considered part of faith as a condition for receiving eternal life. This saving transaction between God and the sinner is simply the giving and receiving of a free gift.

We believe all true believers are sons of God, and that He has made full provision for their sanctification, victory, and eternal security through faith in Jesus Christ. We believe all believers are responsible to walk in separation from all religious apostasy and worldly and sinful practices, witnessing by life and word to the saving power of Christ which is extended to all men.

We believe the Church is composed of all truly born-again people, being the Body of which Jesus Christ is the Head, that it had its earthly beginning on the day of Pentecost and that all believers, whether Jew or Gentile, from that day to the time when Christ comes in the Rapture for the Church, are united by the Holy Spirit in this one Body.

We believe that Christians are to keep the unity of the Spirit in the bond of peace, fervently loving one another with a pure heart. We believe the hope of the Church is the gathering together of the saints unto Jesus Christ before the time of the Tribulation.

We believe that the establishment and continuance of local churches is clearly set forth and defined in the New Testament, and that fellowship in such churches is based on a common faith in the Lord Jesus Christ as Savior.

We believe in the dispensational interpretation of the Word of God but reject any extreme teaching that opposes either the Lord's Supper or water baptism as a scriptural means of testimony for the local church in this dispensation of grace.

We believe in the personality of Satan, that he is doomed to eternal punishment in the Lake of Fire.

We believe the Tribulation Period will follow the Rapture or “catching away” of the Church; that this time of judgment will be consummated at the personal, visible return of Jesus Christ to earth to subdue all His enemies and to set up His earthly kingdom for one thousand years.

We believe that at death the spirits and souls of those who have trusted in the Lord Jesus Christ for salvation pass immediately into His presence in conscious blessedness, and at Christ’s coming for the Church, their bodies will be raised and reunited with their souls to be associated with Him forever in glory, transformed into His likeness.

We believe that all those who do not accept God’s gracious offer of salvation in this life remain, after death, in conscious misery until the final judgment of the Great White Throne at the close of the Millennium when soul and body reunited shall be cast into the Lake of Fire, not to be annihilated, but to be punished with everlasting destruction from the presence of the Lord.

We stand firmly and uncompromisingly on the Word of God, maintaining separation from any movement that seeks the organizational unity of all Christianity and ultimately of all religions.

We believe the sign gifts (Mark 16:17-18 – tongues, healings, etc.) were given for the foundational period of the Church and ceased with the coming of the New Testament and the end of the age in which the apostles lived.

The course prescribed for a first year student will give a good foundation to any Christian regardless of future vocation. Our three-year Associate of Arts degree program is designed to prepare the student for Christian ministry upon graduation. See the Graduation Requirements section for information about our Bachelor of Arts degree.

## **HOMESCHOOL STUDENTS**

Applicant may submit a transcript from an official homeschool educational association, GED, or ACT test scores in lieu of a transcript. If the applicant does not have these items, the following is required:

- A homeschool transcript with a course description, the number of academic units completed, and the student's total GPA.
- A two-page, double-spaced essay by the student, typed or printed by computer, with the subject, "My Homeschool Experience."

## **INTERNATIONAL STUDENTS**

This school is authorized under Federal Law to enroll nonimmigrant students.

In addition to the requirements of the application process, the following steps must be taken:

1. Proof of Funds – International applicants must submit to Frontier a statement from their bank or a letter from the person intending to pay for their schooling, proving the financial requirement will be met for the enrollment period at FSB. The international student must also prove to the US Consul that sufficient funds are accessible to undertake a program of study and must show ties to their home country with plans to return when studies are completed.

2. TOEFL – (Test of English as a Foreign Language) Non-English speaking applicants will be required to take the TOEFL. You can find more information about this at <http://www.toefl.org>.
3. I-20 Form – When the applicant has been accepted and the Proof of Funds letter is received, an I-20 form will be sent to the student. The I-20 form is required so the student may enter the United States using an F-1 Visa.
4. I-901 Payment – Payment of this fee is required before the student meets with the American Consul.
5. Meet with the American Consul – When the student receives the I-20 form, he/she must make an appointment at the American Embassy for an interview with the Consul. The student must take the following paperwork with him/her to the Embassy for inspection:
  - a. I-20 Form
  - b. Financial documents/Proof of Funds
  - c. Valid Passport
  - d. Proof of payment of I-901 fee
6. Student Visa – When the student is approved, an F-1 Visa will be granted which will be used to enter the USA. The student is responsible for maintaining legal F-1 status. The F-1 student visa will not allow the student off-campus employment while in the USA; therefore, sufficient funds must be procured in advance (or there must be planned regular financial support) for study in the USA at Frontier School of the Bible.

#### **TRANSFER STUDENTS**

Frontier may accept transfer credits from other institutions. We will allow credit for courses that are currently being taught or have been taught in the past at Frontier and for which a grade of C or higher has been earned. Full time FSB students may not take an online course during the school year for a transfer credit, if it is currently offered at FSB.

In order to graduate from Frontier, the student must spend a minimum of one academic year at this school and complete, with passing grades, a minimum of 32 classroom hours.

#### **CLASSIFICATION OF STUDENTS**

Students are grouped in classes at the beginning of each semester and retain this classification throughout the semester according to the following schedule:

Number of semester classroom hours creditably completed:

Freshman	0–33
Junior	34–63
Senior	64+

### **GRADING SCALE**

A+	100–99	A	98–96	A-	95–94
B+	93–92	B	91–88	B-	87–86
C+	85–84	C	83–80	C-	79–78
D+	77–76	D	75–72	D-	71–70
F	69 or lower				

### **POLICIES ON CHANGES TO CLASS SCHEDULES**

1. In order to add or drop a class, permission must be received from the registrar, who will consult with the instructors involved. If a class is dropped within the first two weeks of a semester, no grade will be recorded.
2. If a class is dropped after the first two weeks of a semester, a grade of WP (withdrew passing) or WF (withdrew failing) will be entered.
3. Under ordinary circumstances, a student may not drop a class after eight weeks. A grade of WN (withdrawal no grade) may be entered for a student who must withdraw from school due to extenuating circumstances.
4. No student will be permitted to add a class after the first week.
5. A student who enrolls late for any course will be counted absent for each class session of that course from the beginning of the semester.

### **AUDITING A CLASS**

1. No credit is given for an audit class.
2. No homework or tests need to be completed for an audit class. Attendance is the only requirement.
3. An audit class does not affect grade point average.
4. The fee for an audit is half the price of a regular class taken for credit.
5. An audit class needs to be taken seriously.
6. In an audit class, a student may have twice as many excused absences as they would for a class taken for credit (a two-credit class is allowed four absences for an audit).
7. If there are more than the allowed number of absences, the student will be given the grade WA (withdraw audit) on their grade card. Again, this will not affect GPA.
8. If a student wants to attend class "occasionally," he shouldn't audit, rather he should talk to the teacher about sitting in on the class from time to time.

### **RECORDS**

A complete transcript of all credits earned is kept on file in the Registrar's office and is available to each student. All academic records are confidential and will not be released without the student's written permission.

A student may request his or her transcript by submitting a signed and dated request to the registrar's office. The first transcript will be furnished without charge; thereafter, a charge of \$10.00 will be made to the student for each transcript issued. No transcript will be issued until all academic, financial, and other obligations to Frontier have been met.

#### **RE-ADMISSION APPLICATION**

1. When did you previously attend FSB and what were your reasons for leaving?
2. Tell us what has transpired in your life since you last attended FSB. Include information regarding employment, church attendance and activities, spiritual growth and/or struggles, etc.
3. Why do you wish to return to FSB?

## STUDENT LIFE

### GENERAL INFORMATION

Many students find life in LaGrange a little different from anything they have previously experienced. It is a small town (about 400 people) situated in the open plains. You will find it to be a great frontier experience.

As far as recreation goes, you can enjoy disc golf, a paved walking path, and biking. Cross country skiing (downhill skiing is about 2 1/2 hours away) and tubing are available in the winter, and fishing, hunting, hiking, and canoeing are available during the fall and spring. We are within driving distance of several national parks.

For those times when you want a taste of the city, Cheyenne, Scottsbluff, and Torrington are a 40-55 minute drive away.

The student handbook has information on such things as dress code, dorm regulations, etc.

### DEVOTIONAL TIME

Development of the spiritual life is an integral part of training at Frontier School of the Bible. Classroom instruction will never take the place of a personal time of fellowship with the Lord.

There will be times of planned prayer and fellowship together, and we also encourage spontaneous times of praise and intercession within the student body.

Chapel services are held daily, giving opportunity for expression in praise, song, and sharing. Faculty members, students, missionaries, and pastors present a challenge from the Word during these services.

A missionary conference is held for an entire week during one semester; and a one week-long Special Lecture is conducted by a visiting instructor during each semester.

### STUDENT ACTIVITIES

A practical application of Christian principles is necessary to develop the life and maturity of any student. Therefore, Christian Service will be assigned, involving both individual and group activity. It may be teaching a Sunday school class, giving a testimony, working with children, AWANA participation, singing, leading a song service, evangelism, visitation, preaching, youth ministry, etc. The student will receive credit for acceptable completion of Christian service ministries.

We are interested in developing school unity, individual responsibility, and Christian character. To help to achieve this, each dorm student is asked to do one hour of service in the dorm or around campus each week. Freshmen regularly help in the dining hall.

AMOOK (Advancing Missions on Our Knees) is an organization from the student body formed for the purpose of encouraging interest in missions through prayer, distribution of current missions information, involvement with missionaries, and the sponsorship of special meetings and projects. AMOOK sponsors prayer bands where students can meet regularly to pray for and receive information from missionaries ministering in specific geographic locations. The group also sponsors a missions emphasis night from time to time. In recent years, they sponsored the sending of one or two students overseas for summer missionary projects.

There are a variety of social events planned each semester. Special dinners, themed socials, skating, gym nights, intramurals (including softball, volleyball, basketball and dodgeball), bowling, mini golf and sporting events are just a few of the activities on the social calendar. Also available to students is a Student Center which has a snack shop, game room, and common area.

Student Wives' Ministries is a women's ministry program designed to give student wives a variety of opportunities to serve the school family, while a staff or faculty wife ministers to them on a personal level. There are Ministries of Encouragement (fellowship groups, prayer chain, prayer partners, etc.), Ministries of Spiritual Growth (devotionals and Bible studies), and Ministries of Helps (meals for families with special needs, and help at various functions).
